

FOOD SERVICE MANAGEMENT

Hardy County Schools will develop and implement an efficient and effective food services system for the students and employees of the school system.

The following guidelines shall regulate food service funds in Hardy County Schools.

- 1) Food service funds are to be used only for the operation or improvement of the non-profit school food service.
- 2) Funds are not to be used for land, buildings, or the construction of facilities.
- 3) Employee monetary gifts and presents cannot be paid from food service funds. Non-food service employee salaries for support employees must be pro-rated based on actual time records.
- 4) Any other costs or expenditures applied against the food service fund must be done in a prudent manner, pro-rated on an actual use basis, and approved by the Superintendent or his/her designee, and comply with state and federal regulations.
