

ASBESTOS

An asbestos abatement program has been implemented in all school buildings owned by Hardy County Schools.

It is the policy of the Board that asbestos problems be dealt with in the following manner:

- 1) Employees and the public shall be informed by proper notice as required by law and regulations.
- 2) All friable material shall be contained whether or not it is known to contain asbestos.
- 3) Appropriate laboratory examinations shall be conducted as required by law or regulations to determine if asbestos is present.
- 4) Asbestos that is found shall be removed as soon as it is economically and practically feasible to do so.
- 5) Until unknown asbestos-containing material is removed, it shall be properly contained and inspected regularly.
