

PLAYGROUND /ATHLETIC EQUIPMENT

When any playground/athletic equipment is installed on Board property, the Board assumes ownership of that equipment unless specifically stated otherwise by agreement.

Once installed on Board property, the Principal of the school will have the responsibility to inspect the equipment on a regular basis, and the authority, in his or her opinion if such equipment is unsafe in any way, to order its repair or removal from the school property. The Principal may also restrict or deny the use of such equipment until such time, in his or her opinion, it is restored to safe condition.
