

SERVICE STAFF DEVELOPMENT

The Board will provide a staff development program for all service personnel employees that will allow them to upgrade their skills and to deliver the services most appropriate for the students of Hardy County.

The council will be comprised of two representatives from each category of employment. The Superintendent, or a designee, has an advisory, non-voting role on the council. The Board will make available funds for the purpose of staff development in conformity with law but shall have the right of final approval of all proposed disbursements.
