

STUDENT TESTING PROGRAM

Hardy County Schools participates in the State-County Testing Program . All eligible students shall participate in this program .

In addition , Hardy County Schools may implement supplemental testing programs for students.

The results of standardized tests shall be placed in students' cumulative record to be used by professional staff members in the development and implementation of educational programs for students. In addition , the results are provided to parents or guardians of participating students for their review .

In all cases , the scores that a student receives on standardized tests of any type shall be treated as confidential. The results of individual student's tests must not be discussed with other students nor compared with another student's scores when conferring with parents.
